What is Vantag?

Vantag is an **AI-powered retail security and inventory intelligence platform** that turns your existing CCTV cameras into smart business tools. It detects shelf theft, inventory movement, footfall analytics, and zone intrusions in real time — **no cloud AI cost**, runs on your own store PC.

✓ AI Shelf Monitoring	Detects product pick-up, removal, and theft in real time
✓ Auto Camera Discovery	Scans your LAN, finds Hikvision/Dahua/CP Plus cameras automatically
✓ Zone Intelligence	Define custom zones, get instant alerts on intrusion or movement
✓ Footfall Analytics	People counting, dwell time, heat maps
✓ Edge AI Processing	AI runs on store PC — no per-frame cloud cost
✓ Multi-Store Dashboard	Manage all branches from one web dashboard
✓ Mobile Alerts	Real-time push notifications and incident reports
✓ 30-Day Incident History	Full audit trail with video evidence thumbnails

RETURN ON INVESTMENT (ROI) EXAMPLE

A small pharmacy with 4 cameras on the Growth plan (INR 2,499/month) typically prevents 2–4 shoplifting incidents per week. At an average product value of INR 300 per incident, that is **INR 2,400–4,800 saved per week** — paying for the entire annual subscription in the first 2 weeks.

Dealer / Partner Margin

Authorised Dealer (installing): **15% of subscription** | Referral Partner (non-installing): **10% of subscription** | Paid monthly, 30 days after customer payment clears.

Terms & Conditions

- All prices are exclusive of applicable taxes (GST/SST) unless stated otherwise.
- Annual plans are billed upfront. Monthly plans are billed on the subscription renewal date.
- Subscriptions auto-renew unless cancelled 7 days before renewal date.
- 14-day money-back guarantee for new customers (first subscription only).
- Hardware (cameras, NVR/DVR) is NOT included — customers use their existing cameras.
- Free onboarding support (1 session) included with Growth and Pro plans.
- Prices may be revised with 30 days advance notice to existing subscribers.
- Dealer pricing and margins are governed by the Dealer Agreement separately executed.
