

● STOP BUYING NEW HARDWARE. YOUR SHOP'S CCTV CAN ALREADY DO THIS.

Convert your existing CCTV to AI — for free.

■ Zero new hardware · Zero cabling · Zero cloud fees · Live in 30 minutes

Every Hikvision, Dahua, CP Plus, Godrej, Prama or generic RTSP camera you already installed becomes an AI-powered guardian the moment you install Retail Nazar — for free, on the Android phone or PC you already own. 11 detection models run locally: shoplifting, loitering, falls, tampering, restricted zones, queues, empty shelves and more. Built for Bharat — shops, malls, hospitals, offices, post offices and police stations. No cloud fees. No footage ever leaves your premises.

WHY RETAIL NAZAR — THE UNFAIR ADVANTAGE FOR INDIAN BUSINESSES

STOPS THEFT BEFORE THE EXIT

Product-sweep & concealment AI fires a CRITICAL alert the moment a thief moves — not on tomorrow's CCTV playback.

WORKS WITH YOUR EXISTING CCTV

CP Plus, Hikvision, Dahua, Godrej, Prama, Honeywell, any generic IP cam. Zero rip-and-replace. Zero vendor lock-in.

RUNS LOCAL — NO INTERNET BILL

All 11 models run on an Android phone, PC, or the Nazar Edge Box. No per-event fees. Video never leaves your shop.

ALERTS ON WHATSAPP INSTANTLY

WhatsApp, SMS, push, Telegram, Slack. One-tap remote shutter/door lock over MQTT from anywhere in India.

LIVE IN 30 MINUTES

Register → auto-discover cameras → go live. No integrator visit. No AMC. No lakhs-of-rupees project.

PRICED FOR INDIAN SHOPS

Free to start. Paid plans from Rs 1,999/mo when you scale. Cancel anytime — no lock-in, no hidden GST surprises.

DETECTION MODELS · ALL 11 RUN IN PARALLEL, ON DEVICE

CRITICAL SHOPLIFTING Concealment & product-sweep behaviour detected before the exit.	CRITICAL PRODUCT SWEEP Hand sweeps across 3+ shelf items in seconds — instant alert.	CRITICAL RESTRICTED ZONE Custom polygons for cash counter / back-office / stock room.
CRITICAL WATCHLIST FACE Match faces vs. your known-offender list the moment they enter.	SAFETY FALL DETECTION Pose-based person-down alert — critical for hospitals & elderly care.	HIGH CAMERA TAMPER Detects spray, blocking, or angle changes — never go blind.
HIGH INVENTORY MOVEMENT Sudden stock drop with no staff present = bulk-theft signal.	HIGH CROWD SURGE Density spikes flagged for temple, mall & event crowd safety.	MEDIUM QUEUE LENGTH Counts checkout customers, estimates wait, alerts overflow.
MEDIUM ANOMALOUS DWELL Loitering in high-value aisles beyond your time threshold.	LOW EMPTY SHELF Detects empty zones so staff restock before you lose the sale.	ALL 11. ALWAYS ON. Zero blind spots →
